WEB DEVELOPMENT

Skilled Frontend Developer with 2 years of experience in designing and implementing user-friendly, responsive web interfaces. Proficient in HTML, CSS, JavaScript, and modern frameworks like Bootstrap, Tailwind and ReactJS. Expertise in translating UI/UX designs into functional, pixel-perfect web pages while optimizing performance across various devices and browsers.

EXPERTISE

Web Performance Optimization	UI/UX Design Collaboration	Responsive Design
Version Control (Git)	Critical thinking skills	Proactive and self-motivated
RESTful APIs	Excellent communication skills	Exceptional organisational skills

PROFESSIONAL EXPERIENCE

QUH Dock

Frontend Developer

Oct 2023 - Present

At QUH Dock, I started as a Frontend Developer, where I quickly immersed myself in mastering React.js and other modern frontend frameworks. I successfully delivered numerous projects, leveraging these technologies to create efficient, scalable, and responsive web applications. My growth in this role has solidified my expertise, and I now continue to contribute as a dedicated Frontend Developer, driving innovation and enhancing user experiences.

Ragzon Solutions

Frontend Developer Intern

Jan 2022 - Aug 2023

At Ragzon Solutions, I began my development journey from the ground up, mastering the fundamentals of frontend development. Through hands-on experience, I honed my skills in HTML, CSS, and JavaScript, leading to the successful delivery of multiple projects. These projects allowed me to apply best practices in responsive design, cross-browser compatibility, and dynamic user interfaces, establishing a strong foundation in modern web development.

EDUCATION

Bachelor of Science in Computer Science

Virtual University of Pakistan
